Dear Sirs:

We are the current insurance agency for Sunshine Mining Company. They currently have a Mined Lands Reclamation Act Bond on file with you which has been effective since January 15, 1982. We need to replace this bond effective July 29, 1984. In order to do this, we would appreciate receiving a blank bond form from you.

If you have any questions, please contact us.

Very truly yours,

ARTHUR L. OWEN COMPANY, INC.
